We are keen in doing business with your esteemed Company and can develop any design & shape according to your taste & requirement. We are happy to make /undertake the tailor made items on our customer desires. I would request you to confirm your interest giving specific product requirements and enable us submit our Product Catalogue, samples & competitive prices for your evaluation.

THANKS AND BEST REGARDS,

**RAKESH JAIN**

## About: ABHINANDAN STEELS (INDIA)

Abhinandan Steels is pleased to provide this Product Catalogue for your use. We aim to carry all popular products and sizes on a continuous basis. The product catalogue generally lists those sizes we carry ex-stock. However, there are some sizes and products we offer on an indent basis only.

## Quality :

We are committed to producing quality stainless steel houseware products by using finest quality of raw materials. Our products with their elegant sleek looks and ornamental designs add glamour to any kitchen or household.

## Experience :

We have dedicated ourselves to the business of making fine quality houseware and flatware since our inception and we are known in both domestic as well as international markets.

## Innovation and Craftsmanship :

Quality and innovation is the motto of the company. We use the most modern methods tempered with our long standing knowledge and expertise in the field to adapt our products according to the buyer / marketing requirements. We are proud of our ever increasing product range.

## Customer Service :

Customers satisfaction lists highest on our priority and hence we do our utmost to keep to our delivery schedules, maintaining good and quick communication with our customers and give them the best quality products. We are interested in long term business relationship and hence we try our best to ensure that all our customers are fully satisfied with our products and our service.
